**Subject:** Updated 9/22 event agenda  
[Lautenberg Agendadraft2.docx](#)

Good evening all. Mike Walls, VP of Regulatory and Technical Affairs at the American Chemistry Council will be joining us on 9/22 as a speaker as well. He can not make the call in the morning, however I have updated the agenda to reflect his participation. Also, please send along, as soon as possible, brief bios and headshots that we can include in a program.

--

Thank you and I look forward to our call in the morning.
